DETAILED ACTION

This office action is in response to the proposed amendment filed April 17, 2006.

Response to Amendment

The proposed amendment filed April 17, 2006 has been entered.

Allowable Subject Matter

Claims 1-11 and 17-20 are allowed.

Response to Arguments

The examiner agrees with Applicant's argument that the provisional application 60/153069, to which the current application claims priority, provides sufficient support for the subject matter recited in claim 17. Because the priority date of the provisional application (September 10, 1999) antedates the priority date of the Nayfeh reference (October 22, 1999), the rejection of claim 17 as being anticipated by Nayfeh is hereby withdrawn.
